**MOTORBRAIN CONSULTING CONTRIBUTES FUNDS TO HELP FIGHT  
THE BATTLE AGAINST CANCER**

**(Lincoln, Maine)** Motorbrain Consulting Inc. is proud to announce a partnership with the American Cancer Society to help fight against cancer. Through the end of December, Motorbrain Consulting will donate \$25 to the American Cancer Society for each new subscriber they sign up for HughesNet® high-speed satellite Internet service. Each donation will be credited in the name of the new HughesNet subscriber. Motorbrain also will contribute an additional \$25 for referrals from customers.

“Cancer has impacted nearly every American in one way or another. Either we have fought the battle ourselves or have friends or family currently fighting the disease,” said Brad Libby, CEO of Motorbrain Consulting. “Donating funds is just one way we can help the American Cancer Society continue supporting research with the ultimate goal of finding a cure for cancer.”

Motorbrain Consulting Inc. is a reseller of HughesNet satellite Internet services in New England. With over 400,000 subscribers, HughesNet is the leading broadband satellite Internet service provider in the United States. For more information about HughesNet services and how you can help the fight against cancer, visit [www.motorbrain.com](http://www.motorbrain.com).
