IIM Calcutta Announces Launch of EPBM Programme with Hughes Global Education India

Comprehensive Training in Business Management Delivered over Hughes Interactive Onsite Learning Platform

New Delhi, India, 11 March 2015—Hughes Global Education India Ltd (HGEIL) today announced the launch and opening of admission to the Executive Programme in Business Management (EPBM) by the Indian Institute of Management (IIM) Calcutta. Delivered over the Hughes Interactive Onsite Learning platform by the eminent faculty of IIM Calcutta, this programme offers working executives comprehensive learning through lectures and real world case studies including addresses by senior executives from the corporate world.

The unique Hughes Interactive Onsite Learning Platform, offered by HGEIL provides a live, interactive capability where participants in any part of the country can listen and discuss questions directly with IIM Calcutta faculty members, cutting across geographical constraints. The programme is designed to equip the managers and professionals with diverse perspectives, leadership styles, and the skills required to lead their organizations in the liberalized and deregulated business environments.

Speaking on the launch, Dr. Sudip Chaudhuri, Programme Director EPBM, IIM Calcutta said, “Businesses across the country have been in need of competent and skilled manpower and we are glad that Hughes Global Education India has helped IIM Calcutta to reach out to smaller and more distant locations.”

Mr. Partho Banerjee, President and Managing Director of Hughes Communications India Ltd (HCIL), parent company of HGEIL, said, “The Hughes Interactive Onsite Learning platform has helped candidates located at far-off locations benefit from esteemed institutions like the Indian Institute of Management—Calcutta.”

To date, more than 25,000 students have used the Hughes Interactive Onsite Learning platform in 100 classrooms in 50 cities spread across the country and participated in courses by leading academic partner institutes to improve their skills and move up the career ladder within their organizations. About IIM Calcutta
The Indian Institute of Management Calcutta (IIMC) was established as the first national institute for Post-Graduate studies and Research in Management by the Government of India in November 1961 in collaboration with the Alfred P. Sloan School of Management (MIT), the Government of West Bengal, The Ford Foundation, and Indian industry. During its initial years, several prominent faculty formed part of its nucleus, including Paul Samuelson, Jagdish Sheth, J. K. Sengupta, among others.

Over the years, IIMC has grown into a mature institution with a global reputation, imparting high quality management education. It has played a pioneering role in professionalizing Indian management through its Post Graduate and Doctoral level programs, Executive Training Programs, Research and Consulting Activities.

About Hughes Global Education India
Hughes Global Education India Ltd (HGEIL) is a wholly owned subsidiary of Hughes Communications India Ltd (HCIL) which is India’s leading provider of broadband networks and a majority owned subsidiary of Hughes Network Systems, LLC (Hughes). HGEIL provides the Hughes Interactive Onsite Learning platform, for satellite-based education and training for working professionals/students. Delivered over a live, interactive, real-time, two-way video, voice and data platform, it is available today in 155 classrooms in 75 cities. HGEIL has redefined the next generation of education, i.e. the real-time Interactive Onsite Learning platform. Started in 2001 and the first of its kind in India, this platform seamlessly integrates the strengths of traditional methods of education—classroom teaching—with the latest in technology.

About Hughes Network Systems
Hughes Network Systems, LLC (Hughes) is the world’s leading provider of satellite broadband for home and office, delivering innovative network technologies, managed services, and solutions for enterprises and governments globally. HughesNet® is the #1 high-speed satellite Internet service in the marketplace, with offerings to suit every budget. To date, Hughes has shipped more than 4 million systems to customers in over 100 countries, representing approximately 50 percent market share. Its products employ global standards approved by the TIA, ETSI and ITU organizations, including IPoS/DVB-S2, RSM-A, and GMR-1.

Headquartered outside Washington, D.C., in Germantown, Maryland, USA, Hughes operates sales and support offices worldwide, and is a wholly owned subsidiary of EchoStar Corporation (NASDAQ: SATS), a premier global provider of satellite operations and digital TV solutions.
