IIM Calcutta Announces Launch of EPYM Programme with Hughes Global Education India

Comprehensive Training over Hughes Interactive Onsite Learning Platform

New Delhi, India, 7 April 2015—Hughes Global Education India Ltd (HGEIL) today announced the launch of admission to the Executive Programme for Young Managers (EPYM) by the Indian Institute of Management (IIM) Calcutta. Delivered over the Hughes Interactive Onsite Learning platform by the eminent faculty of IIM Calcutta, this programme offers working executives an integrated overview of core business functions, key concepts, tools, and techniques, and enhances skills required to do well in respective functional areas. EPYM is designed to enhance the participant’s ability to face current and future challenges of management and business administration.

The unique Hughes Interactive Onsite Learning Platform, offered by HGEIL, provides a live, interactive capability where participants in any part of the country can listen and discuss questions directly with IIM Calcutta faculty members, cutting across geographical constraints.

Speaking of the launch, Prof. Ramendra Singh, Programme Director EPYM, IIM Calcutta said, “With such a large young work force, India will play a bigger role in global employment standards in the coming times. EPYM programme is designed to provide both perspective and managerial skills to successfully meet the challenges of today’s global working environment.”

Mr. Partho Banerjee, President and Managing Director of Hughes Communications India Ltd (HCIL), parent company of HGEIL, said, “We are glad to see our partner institutions have leveraged the pan-India expanse of the Hughes Interactive Onsite Learning platform to reach out to their candidates across the country to help them improve, enhance and hone their skill-set.”

To date, more than 25,000 students have used the Hughes Interactive Onsite Learning platform in 100 classrooms in 50 cities spread across the country and participated in courses by leading academic partner institutes to improve their skills and move up the career ladder within their organizations.
