

NETWORK HEADACHES?

We'll take care of that.

Stuck with an underperforming MSP across your franchise, retail, and QSR locations? **You're NOT alone.**

Chronic outages during peak traffic

Patchwork solutions across locations

Support tickets that disappear into a black hole

Contract terms that favor the provider—not your company

How Hughes helps franchise, retail, and QSR brands break the cycle.

Flexible Solutions Designed for Multi-Site Brands

- Rapid deployments
 - Standardized technology stacks
- Predictable pricing

Consistent, High-Performance Connectivity

- Reliable, resilient managed network
- SD-WAN to Wi-Fi with built-in security

24/7/365 Franchise Focused Support
